

RESIDENT ORGANIZED ACTIVITIES

Our residents come from all walks of life having different interests, experiences, and gifts. This diversity opens doors of opportunity for others to learn, experience, and make new friends. We encourage IL Residents to continue your hobbies and interests after moving to Manor Park. The Independent Living Team can help facilitate an activity start-up by advertising and announcing, finding space to hold the activity, connecting others who have the same interests, and more. Examples of activities below.

Monday Bridge

Want to play with neighbors? Join a group of residents from across the campus on Mondays at 1pm in the Living Room (until further notice).

HOW IT WORKS:

Sign up the week before OR call the organizer.

Show up 10 -15 min before start time. Check in on "sign-in" sheet.

Organizer: Ruth Martin 785-230-2571

Mah Jongg Lessons

Would you like to play a game that requires your attention, memory, strategy, deductive reasoning and is fun? Then American Mah Jongg is for you. We play every Tuesday afternoon at 12:30 in the living room in the Wallace Building.

Linda McDonald will be teaching those interested in learning this old Chinese game on Monday, July 26, at 1 PM in the living room of the Wallace Building.

If you cannot attend at this time, stop by when we are playing, and we will show you the how we play.
